Am I... still alive?

I feel numb though.

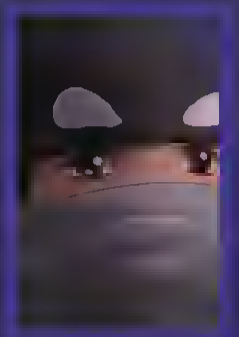
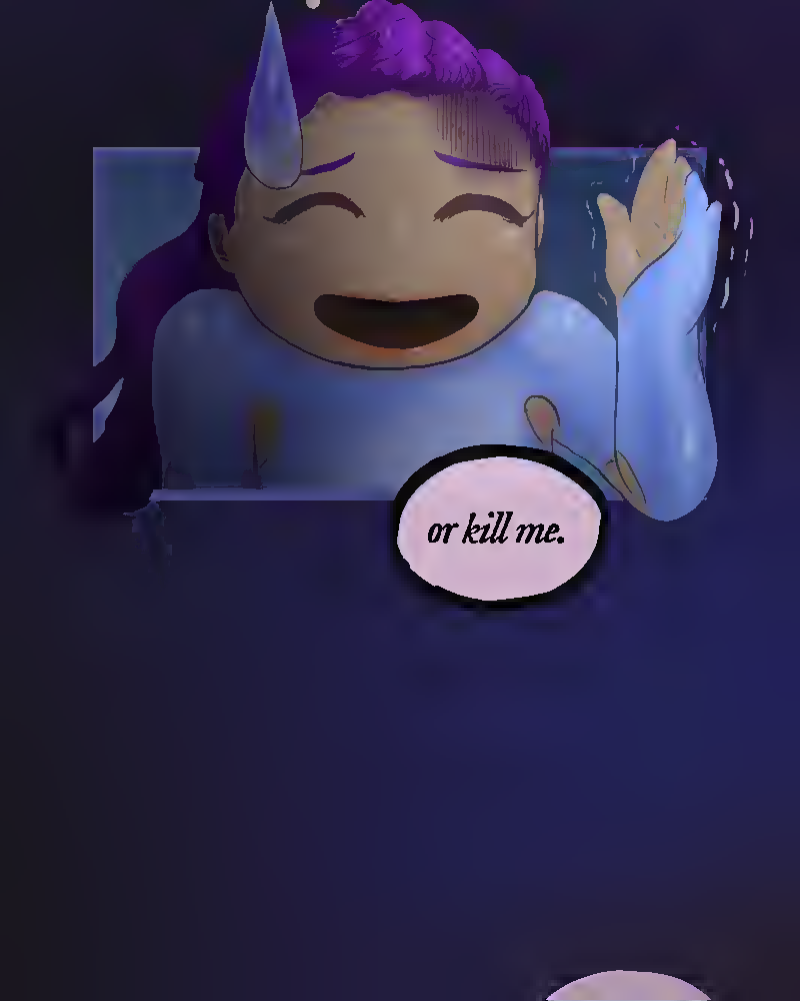
Ughhh... my head...

Hi!



heh heh
this is awkward.
I don't know if they want
to help me...



or kill me.

Wait...
my eyes.

They don't burn anymore
...but why does everything look colorless?
Am I still wearing my eyeD?
HA HA

HE HE HE
Your eyeD was fried when we took them out.
Yeah! That's never happened

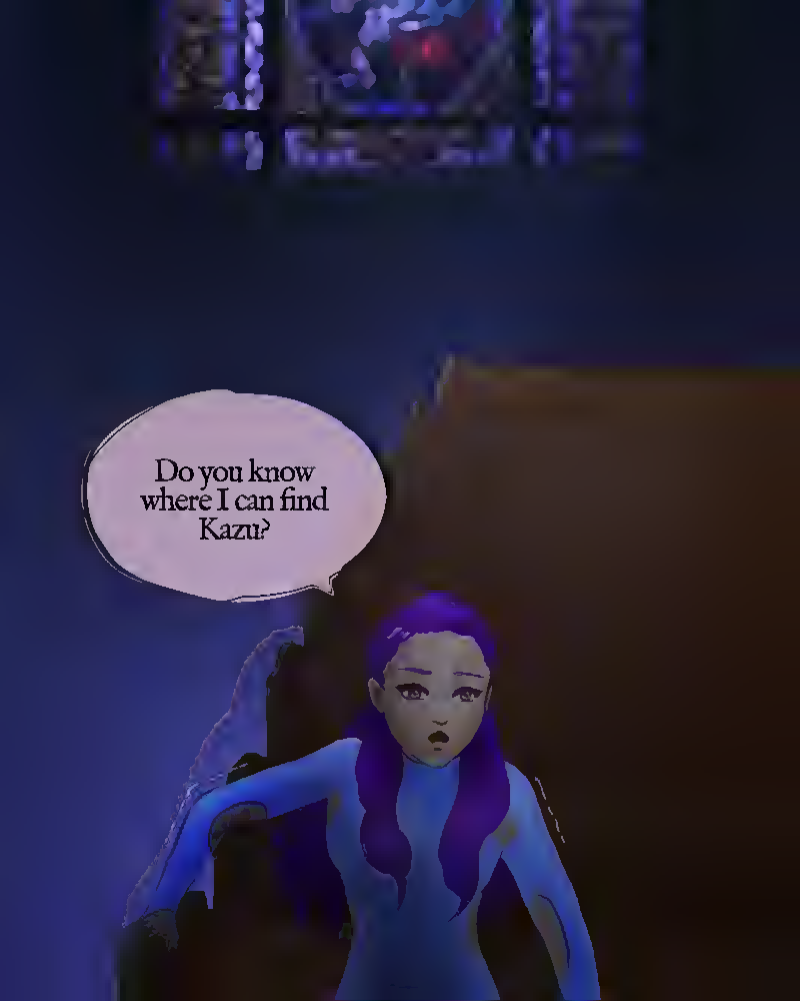
never happened before!
What? How?

Punno. Ask Kazu!
Who's Kazu?
He saved you from the White Ravens.

Yes, I remember.
Before I blacked out,
I saw a skeleton.
That's
Kazu!

He's our big brother
Where am I? What is this place?

We are the Children of Light, and this is our sanctuary.



Do you know where I can find Kazu?

Rooftop!

ahem...
excuse me...
Kazu?

I wanted to thank you for helping me back there.

You saved my life!

He's not much of a talker I see.

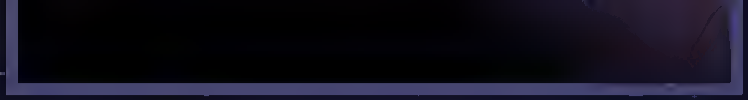
Icarus, hurry!



What if the White Ravens found out where I lived!

No.

They'll be fine.

I'll see Mom's smile again.

You should help her!
Yeah Kazu! She's pretty! and nice!

We don't know her.

Then you should follow her!

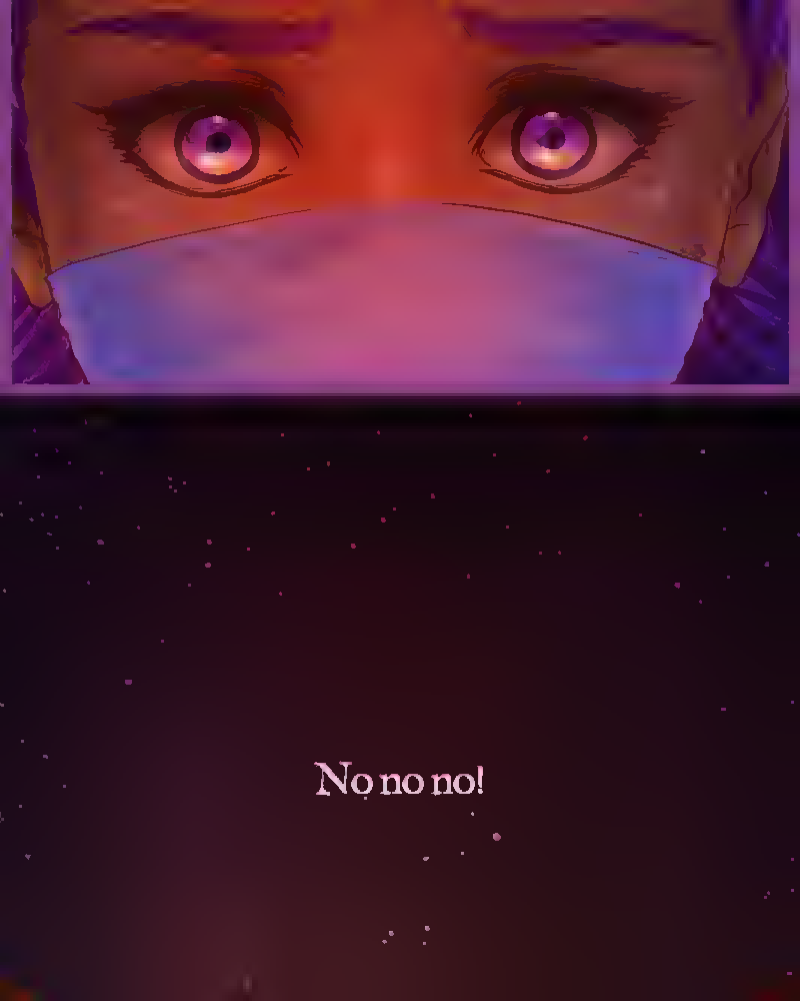
Huh?

Is this fire?

I can't see any colors!

Please let this be a temporary side effect...

Oh no!



No no no!

Icarus.
Scan for survivors.

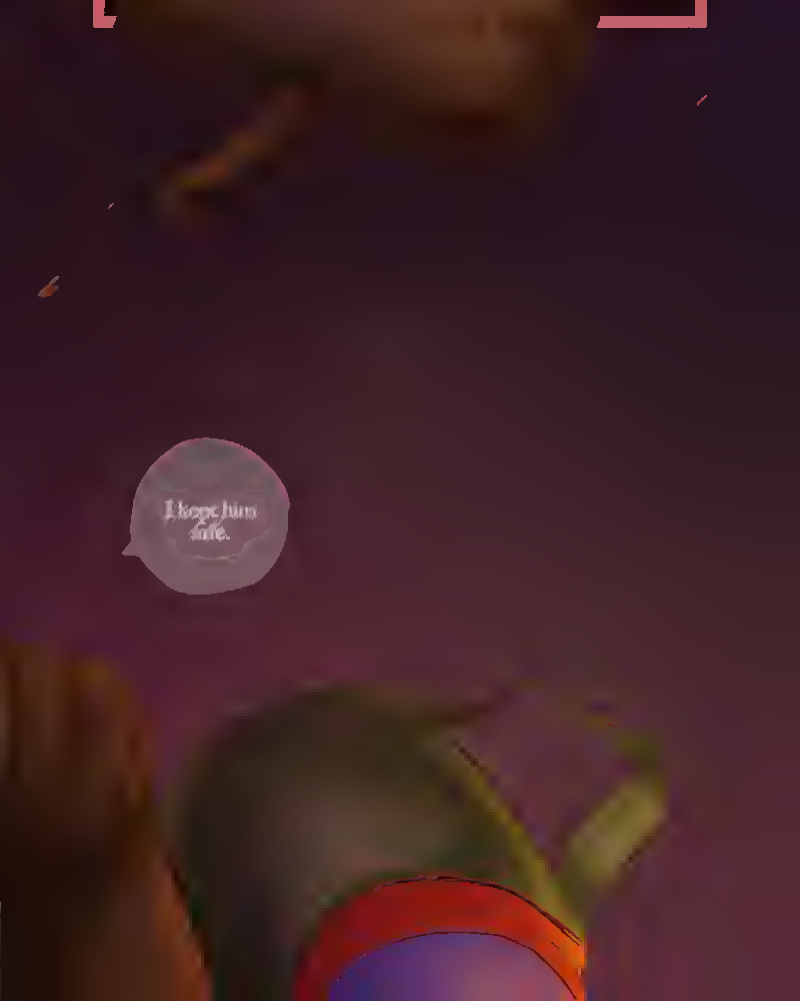
Located.

Let's go!
We need to save as many lives as possible!

JET!!!

Jet!
Can you
hear me?

Thank God, you're conscious!
What?



I hope him
safe.

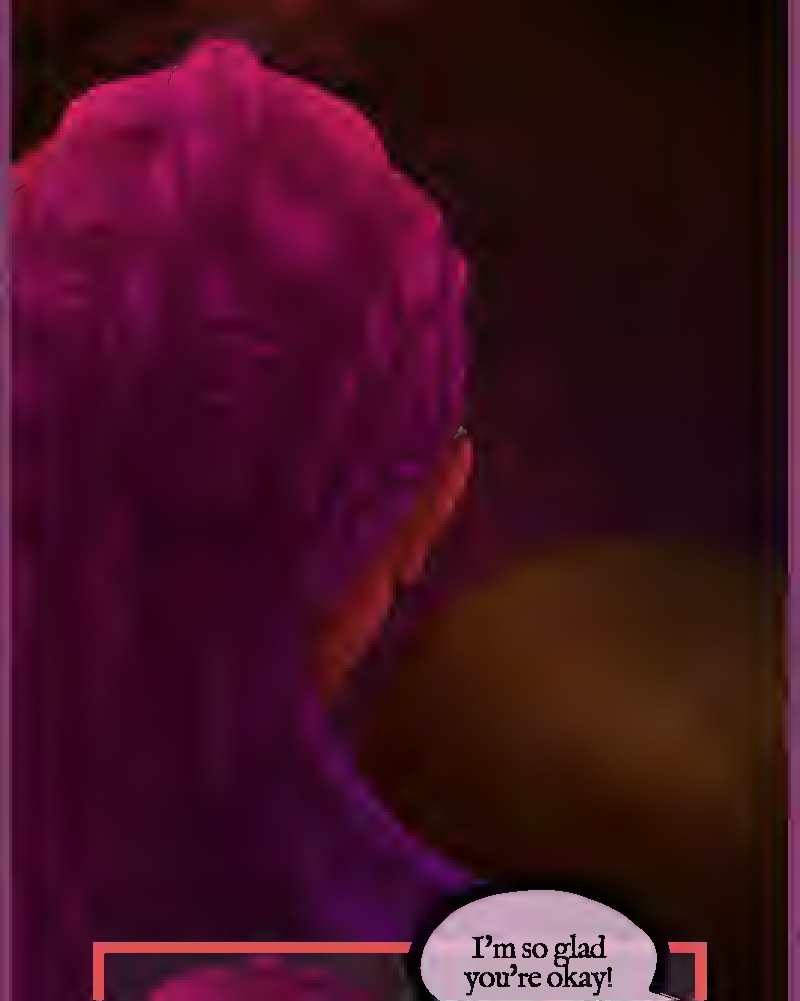
Oh Jet... I'm so proud of you!

You're so strong and brave!

Nooooo.
You'll be fine!
It's... just a scratch.

Rhea don't cry. I'm not scared.
Rhea!
Jet!

jet!



I'm so glad you're okay!

Where is everyone else?
Rhea... Ra..Ra..Raven Core came and..and... sobs

They killed everyone! Everyone is dead!
Mom too?

Nnnn..no.
They took her after they learned that you're her daughter.
Ash...
Ash did this.

Ash?
He was in
Raven Core uniform.

His eyes...
...they were so scary.
Ash...
...you did this?

I'll make you pay...

...with your life.

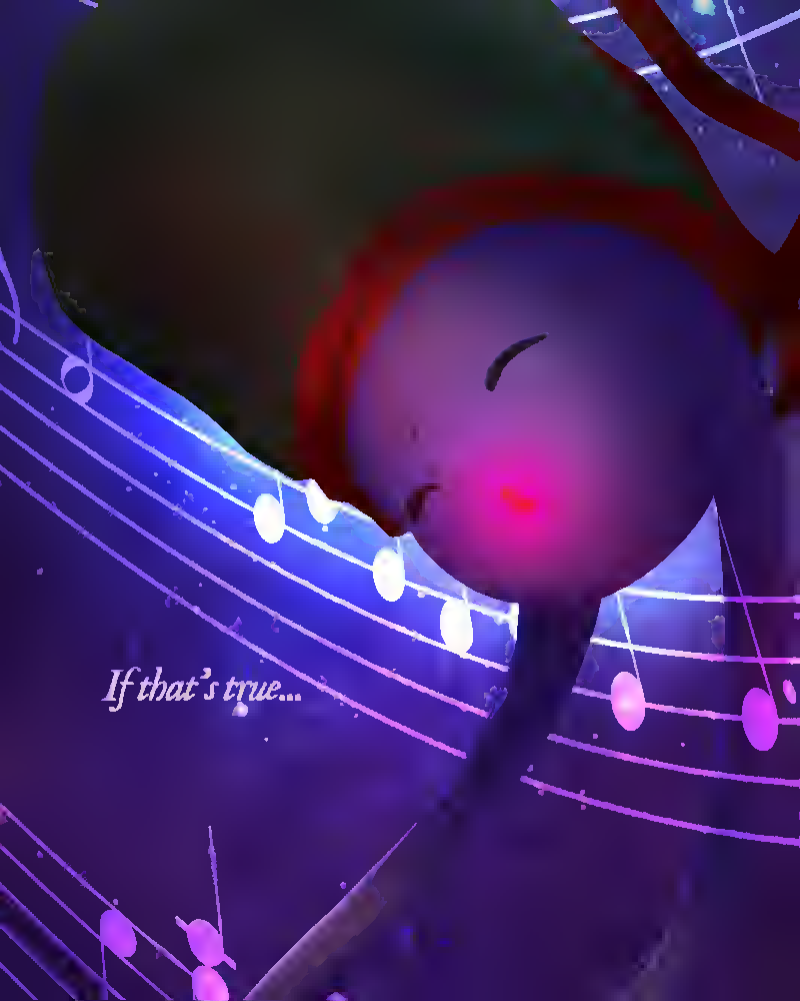
We need to get out of here fast!

But I have to remove this rebar from Jet
I need you two to keep a lookout.

I have to
concentrate!

Jet... close your eyes...

They say
hearing is the
last sense to go
before you
die.



If that's true...

...then, is hearing
the first sense to awaken
when you're born?

yaoon

Surrender
now!

God?

Why?

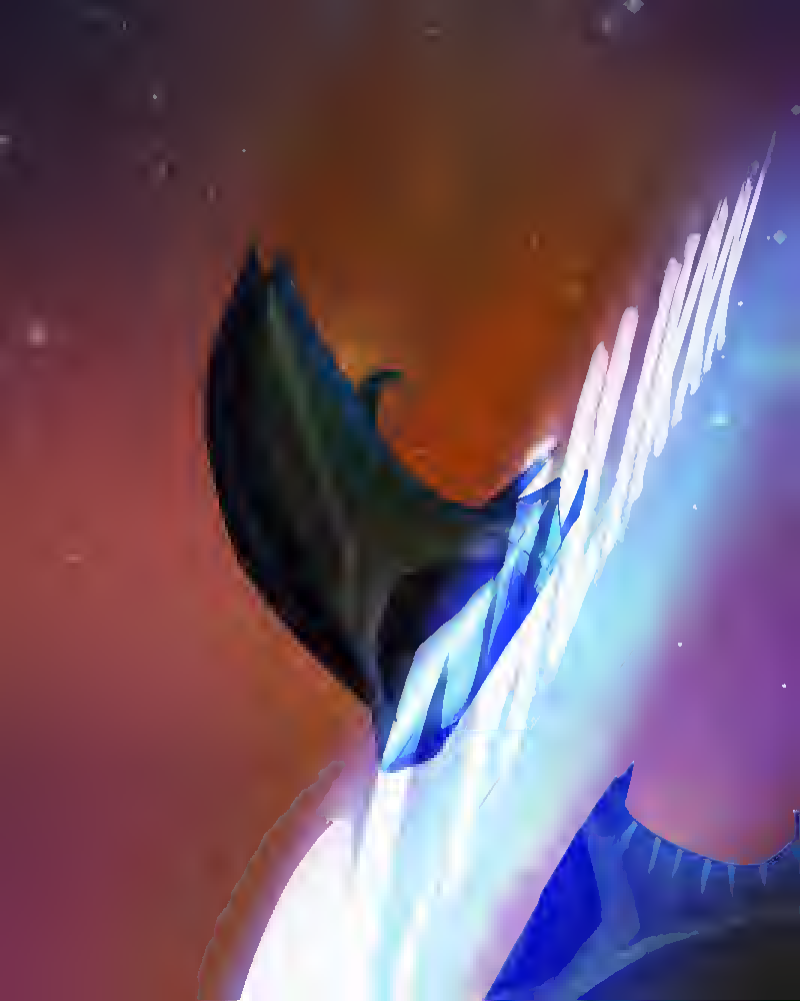
DIN!

Why do we suffer
so much for love?

Is this...

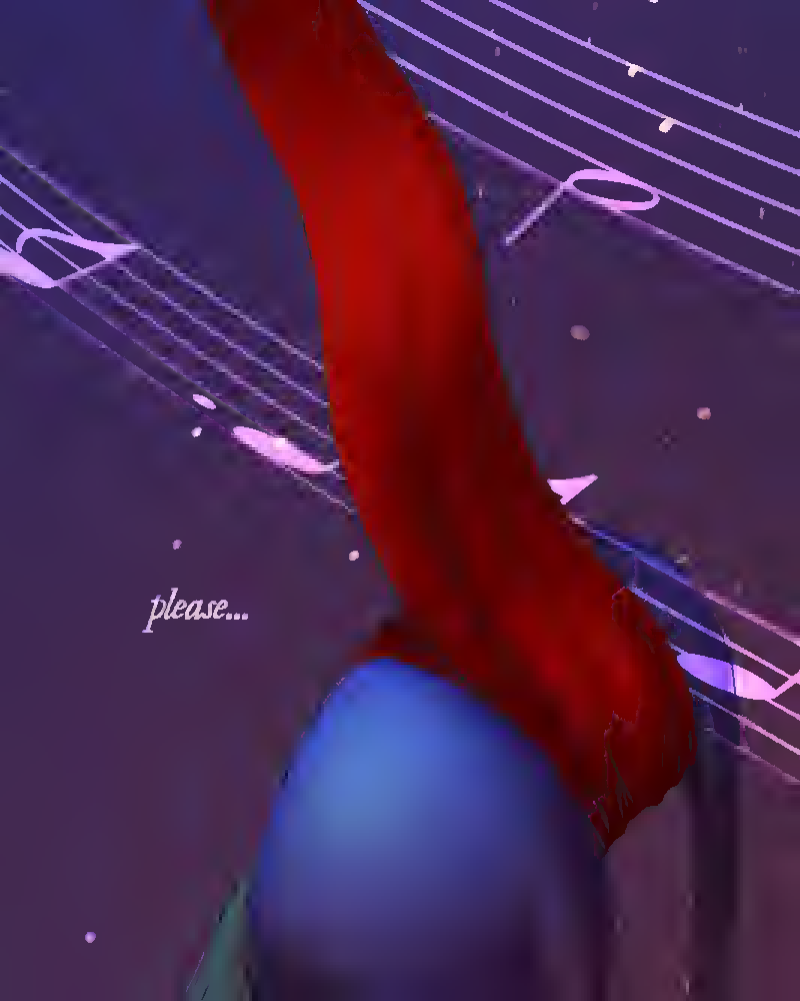
...our fate?
Hey!
I can't see!

Can you hear me?

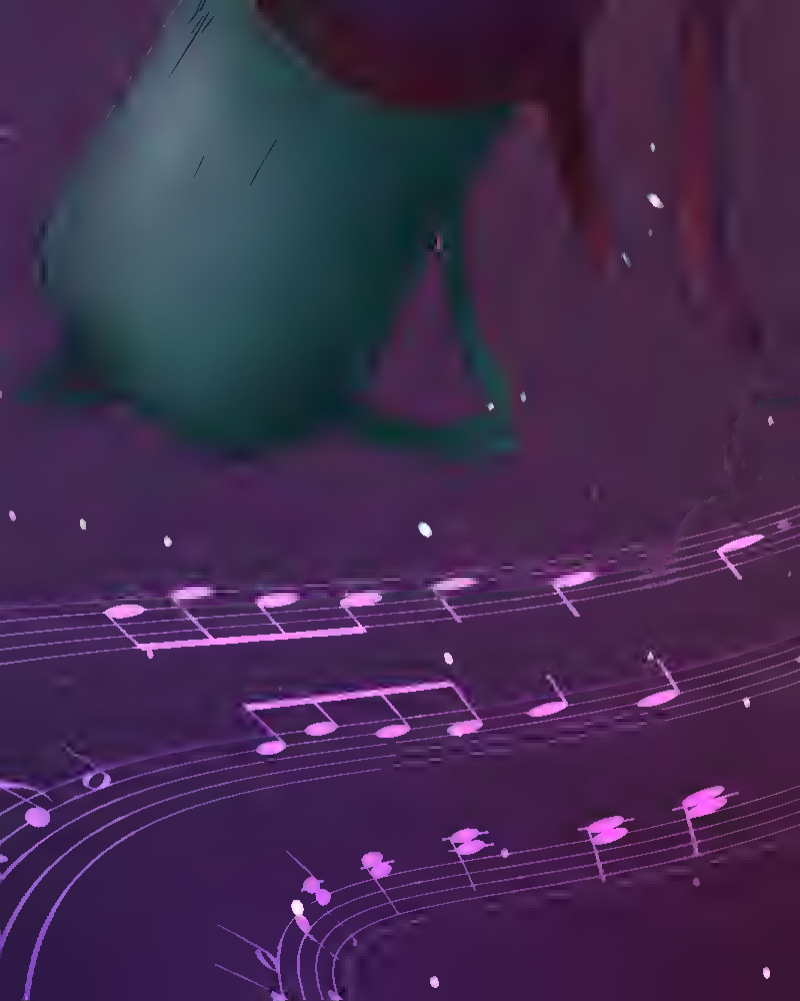


God?

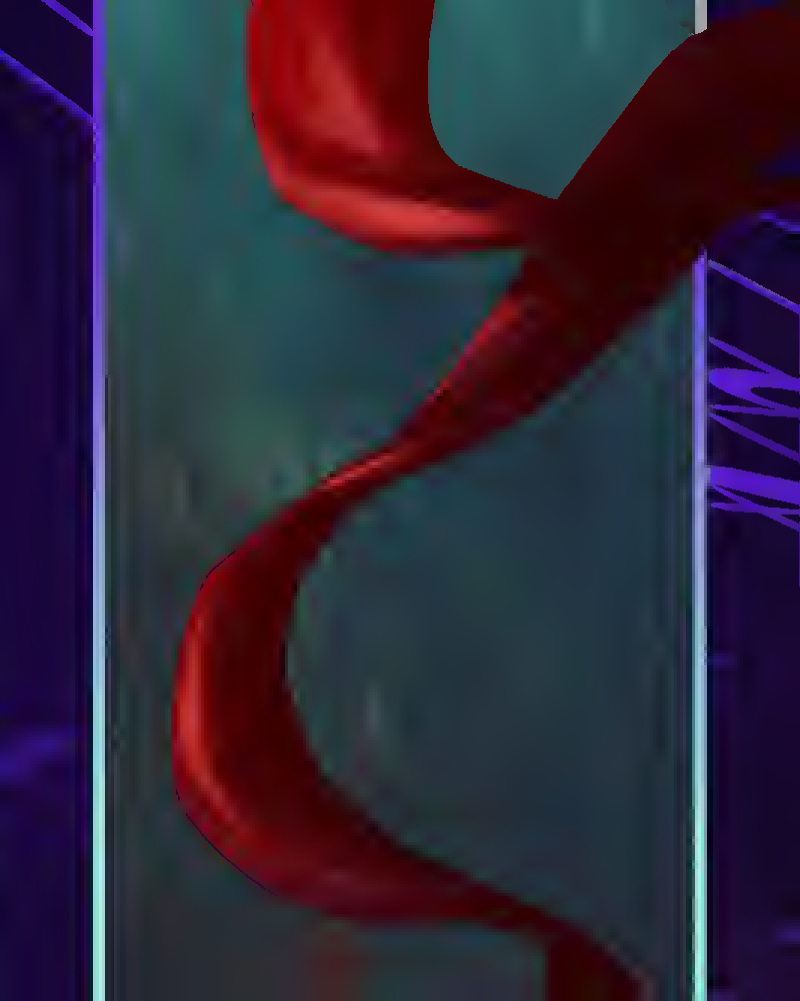
If you're listening...

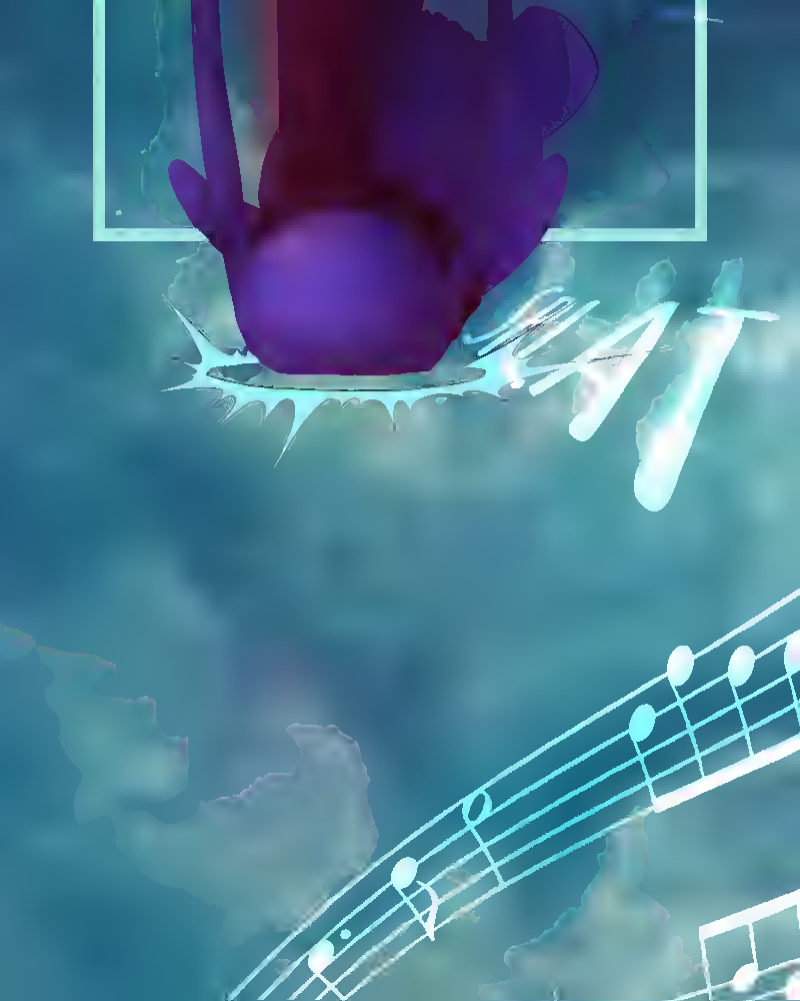


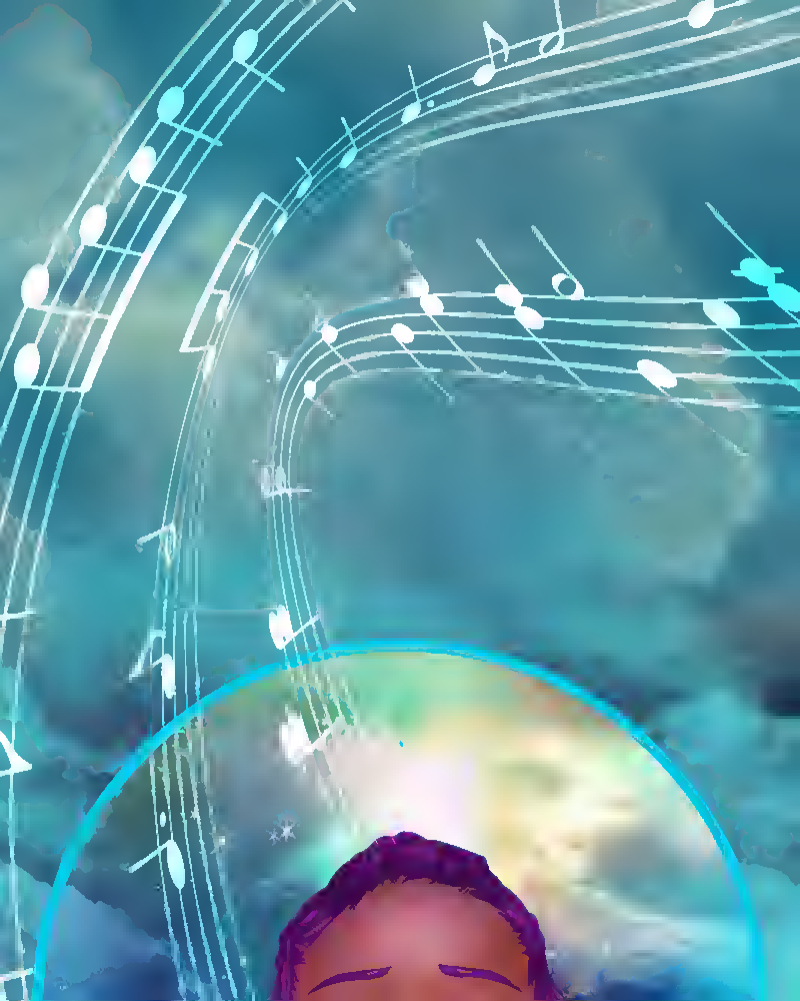
please...



hear my call...







BOOM

yeah yeah one more minute...
